

Full Spectrum Cybersecurity

TRISTAR provides comprehensive cyber solutions on systems, platforms, networks and applications.

- Cyber Live Fire T&E
- Red Teaming
- System Security Engineering
- Offensive and Defensive Cyber Effects
- Attack vector analyses
- Deep knowledge of cybersecurity policies and procedures

Staff Augmentation

- › Chief Information Security Officer (CISO)
- › Information System Security Officer (ISSO)
- › Navy Qualified Validator (NQV)

Information Systems Security Engineering (ISSE)

- › System Security Hardening of Windows, Linux, Network Devices, Databases
- › Secure Wireless Architecture
- › Secure Enterprise Design and Implementation
- › Secure Application Development Guidance
- › Host Based System Security (HBSS) Security Engineering
- › Service Oriented Architecture (SOA) Security Design
- › Secure Voice-Over-Internet-Protocol (VOIP) Design and Implementation
- › Secure Mobility Design and Implementation
- › Cryptographic Support
- › Cyber Security Inspection (CSI) Preparation

Security Assessment (SA)

- › Security Test and Evaluation (ST&E) for Operational and Developmental Networks
- › Assured Compliance Assessments Solution (ACAS) Certified engineers

- › Penetration Testing/Red Team
- › Government and Commercial Security Assessments
- › Vulnerability Assessments and Reporting
- › Trusted Agents for Operational Security Assessment (OSA)
- › Cross Domain Solution (CDS) Assessments
- › DISA Security Technical Implementation Guide (STIGs) Security Assessments
- › Application Security Assessments
- › NIST 800-53 Security Control Assessments
- › FISMA Compliance Annual Security Assessments

Assessment & Authorization (A&A)

- › Risk Management Framework (RMF) package development for Operational and Test Environments
- › E-Mass Certified Engineers
- › XACTA Trained Engineers
- › Cross Domain Solution (CDS) Approvals
- › Continuous Monitoring Strategy development
- › Contingency Plan Development
- › NIST 800-53 Security Policies Development
- › FISMA Compliance Reporting
- › Navy Qualified Validators (NQV)
- › Agent of the Security Control Assessor (ASCA)
